HAPPY FAMILY MISSION...

Our goal is to help develop core family strengths so that we build Positivity and Happiness in our communities. At **Happy Family Clinical Services LLC** and **Happy Family Community Services Inc** (a recognized 501c3), we believe that **Happy Families** are the cornerstone of Positive, Strong, and Happy Communities. Therefore, we aim to provide support to each component of that family, in order to lay the groundwork for reciprocal communities of action.

Happy Families are the cornerstone of Positive, Strong and Happy Communities...

We aim to provide the families we serve with strength and results based services that focus on the core building blocks of creating and maintaining a **Happy Family**.

“To SUPPORT Happy Families as they GROW Happy Children, for Happy Families BUILD Positive, Strong, Happy Communities.” - Happy Family Clinical Services Mission Statement

“To explore alternatives to conventional education that unite families and strengthen community.” - Happy Family Community Services Mission Statement

We employ multi-lingual staff to meet the needs of the communities we serve.
